# KOPANYIN GYIMAH

- He is a cocoa farmer from Old Tafo and he is 65 years old;
- He often doesn't earn enough to feed his family even if he grows a lot of cocoa;
- He has to work even if he has a bad stomach and he can't see a doctor;
- The price for cocoa has gone down each year, but the price of things he needs to buy has gone up;
- Some companies who buy cocoa treat the farmers badly, for example sometimes they pay them really low wages or they don't pay them at all.
